## J. S. Tigers Host Southern U. Cats Sat., Oct. 19

The Jackson State College Tigers host the Southern University Jaguar Cats Saturday, October 19. The Southerners are undefeated in four games this season. Included in their all-winning record are victories over Texas Southern University, Grambling College, Dillard University, and Arkansas A&M.

The Tigers, with a 2-2 record, must be considered the underdogs in the game on the strength of the record. They are winless against the Louisiana squad since the two colleges began football competition in 1958. "The talent-laden Cats, led by Captain Sidney Williams (in a story out of Grambling, Louisiana by Carl Stewart) have already won the Southwest Athletic Conference title and all that remains is that the Jaguars play out their schedule." "Southern annually whips the Willie Richardson-less Tigers like they own them," says Stewart.

The Tigers are led by Captain Ben Magee, All-America tackle, and Edgar "Chico" Jordan, leading ground gainer in the Southwest Athletic Conference last season. The Tigers like the underdog role as evidenced by their reversal of form against the Alcorn A&M Braves Saturday night.
